Family News

God has faithfully and wonderfully taken care of us during these past few months as we have finished out the last of my wife's pregnancy in Maine. It has been special to enjoy family time and have some of my wife's family around us and helping us as I have also been working on scheduling more meetings for the months of deputation ahead.

On July 10, our little Chloe Jean turned two years old. She is growing up beautifully by God's grace. Our son Marshall turned four years old on July 30. It brings us great joy to see him enthusiastically participating in Sunday school, asking questions at home, and to hear his sincere prayers both at home and during the prayer meetings at the church we are attending.

We also thank the Lord for taking care of my wife throughout these months of pregnancy, especially during some difficulties we faced in the last few weeks. With grateful hearts, we are happy to announce that on August 2, our son Ryan was born via C-section, two days before the scheduled date. Both Hope and baby are recovering well, and we can see God's hand sustaining us every step of the way. The Calvary Baptist Church family in Warren, Maine, has been a special blessing to us in so many ways and have prayed and loved on us in such a special way as we have been here with them.

Ministry News

God has given me the opportunity to preach on two occasions at Calvary Baptist Church in Warren. I am thankful for the Lord's enabling me each time I preach in English, a language that I continue to learn every day.

In the beginning of July, the vehicle we had purchased earlier this year did not pass the state inspection on the first attempt. The mechanic recommended that we replace it as soon as possible because of the high repair costs and the overall condition of the vehicle. By God's grace, after replacing several parts, we were able to pass the inspection on the second attempt. However, we still need a more reliable vehicle for our upcoming travels.

We ask for your prayers that God would give us wisdom and provide a suitable minivan for our family and ministry needs. We also ask for your prayers that the Lord would continue opening doors in more churches so that we may share the burden that God has placed on our hearts for Peru.

We plan to begin our travels in October. Therefore, we ask you to pray for my wife's complete recovery and for the healthy growth of our newborn son. We are continually blessed by your faithful prayers, financial support, prayers, and encouragement in the Lord. He is only ever good. Psalm 55:22.

With love and gratitude in Christ,

Isai & Hope Vasquez
