To the Deaf and Hearing of Peru

Dear Prayer Partners and Supporters,

March – April 2026

It is a joy for us to share what God is doing in our family and in the ministry during these first months of the year. We deeply appreciate your faithful prayers and your love toward us.

Family News

God has been faithful every step of our journey to and in the United States. He allowed us to reunite with relatives after many years. We were able to spend some time with my sister Dolly, whom I had not seen in six years, and were able to celebrate her youngest son's birthday. It was a great blessing to meet my nephews and see our children play with them as if no time had passed.

Now settled for a time in Maine, my wife had her pregnancy checkups. She needed to run additional tests because of complications from the previous pregnancy. We are very grateful to be able to report that the results show the autoimmune problem she had has completely disappeared. We thank God for this miracle, for His provision, and for His care during this very special season.

Ministry News

At the beginning of March, we had our interview with the mission board Macedonia World Baptist Missions, and we were accepted to work together in the ministry of taking the gospel forward. We also completed training on how to complete deputation as effectively and quickly as possible.

At the end of April, we visited Macedonia's facilities, where we toured their printing ministry and received additional guidance regarding the process of raising our missionary support. It has been a time of learning and growth that God has given us.

Thank you for your constant prayers for our family. They have truly been a source of strength during this time of transition and preparation. We ask that you continue praying: That God would prosper our ministry here in the United States, that we may soon return to the mission field, and that our testimony would encourage other young people to respond to God's call. The time is short, and the fields are already white unto harvest.

With love and gratitude in Christ,

Isai & Hope Vasquez
